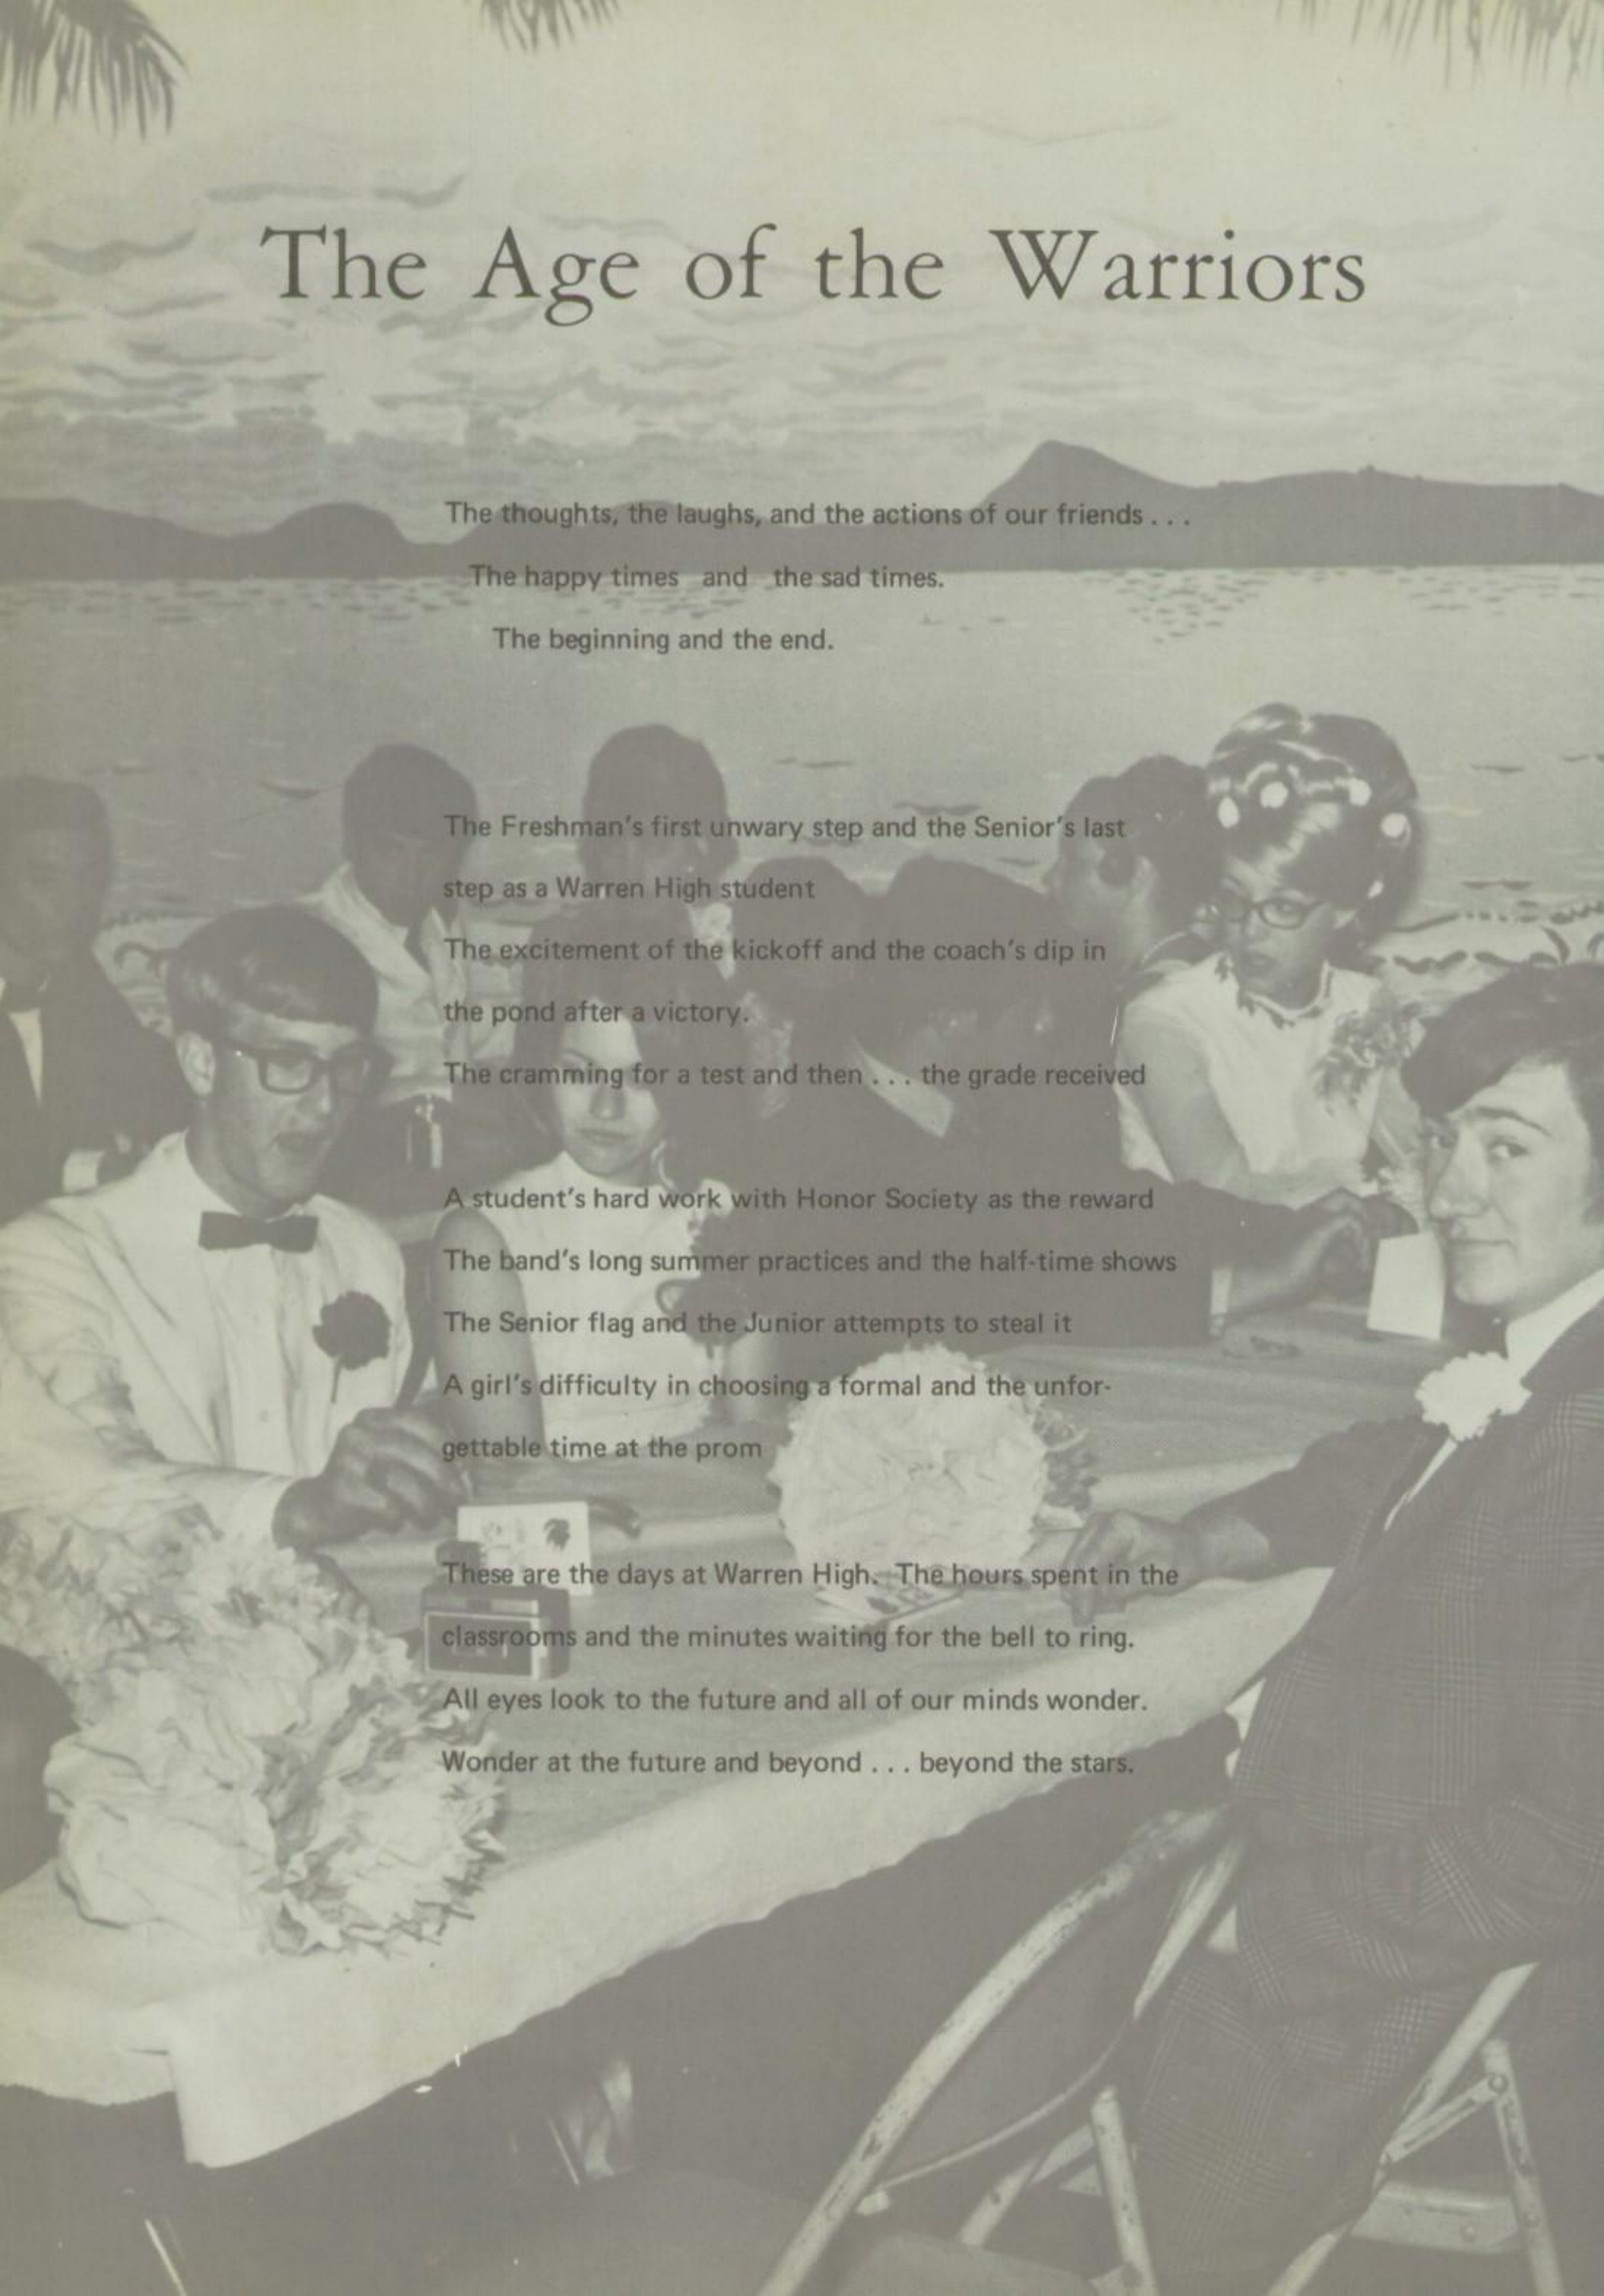
Seniors

The Age of the Warriors



The thoughts, the laughs, and the actions of our friends . . .

The happy times and the sad times.

The beginning and the end.

The Freshman's first unwary step and the Senior's last step as a Warren High student

The excitement of the kickoff and the coach's dip in the pond after a victory.

The cramming for a test and then . . . the grade received

A student's hard work with Honor Society as the reward

The band's long summer practices and the half-time shows

The Senior flag and the Junior attempts to steal it

A girl's difficulty in choosing a formal and the unforgettable time at the prom

These are the days at Warren High. The hours spent in the classrooms and the minutes waiting for the bell to ring.

All eyes look to the future and all of our minds wonder.

Wonder at the future and beyond . . . beyond the stars.

WARREN HIGH SCHOOL
VINCENT, OHIO
VOLUME X, 1970

The Shield Staff

Susie Bond; Donna Gray, Business Manager; Kathy Haynes; Jeanne Davie, Business Manager; Molly Gilbert, Assistant Editor; Melinda Berry; Alta Morris, Editor; Leanne Lawton and Mrs. Stalnaker, Advisor.

No one can ever know what happens behind the scenes in THE SHIELD'S workroom unless they themselves have been a part of the action. Neither can they know the time, effort, and patience required to build a book.

This yearbook has attempted to portray in pictures and words your lives as you have lived them during this school year. If a student, perusing his yearbook, can place himself in a scene or can enjoy an accomplishment, the yearbook has succeeded. Also, if the actions in the school by students, teachers, and administrators are correctly pictured, then the yearbook has succeeded.

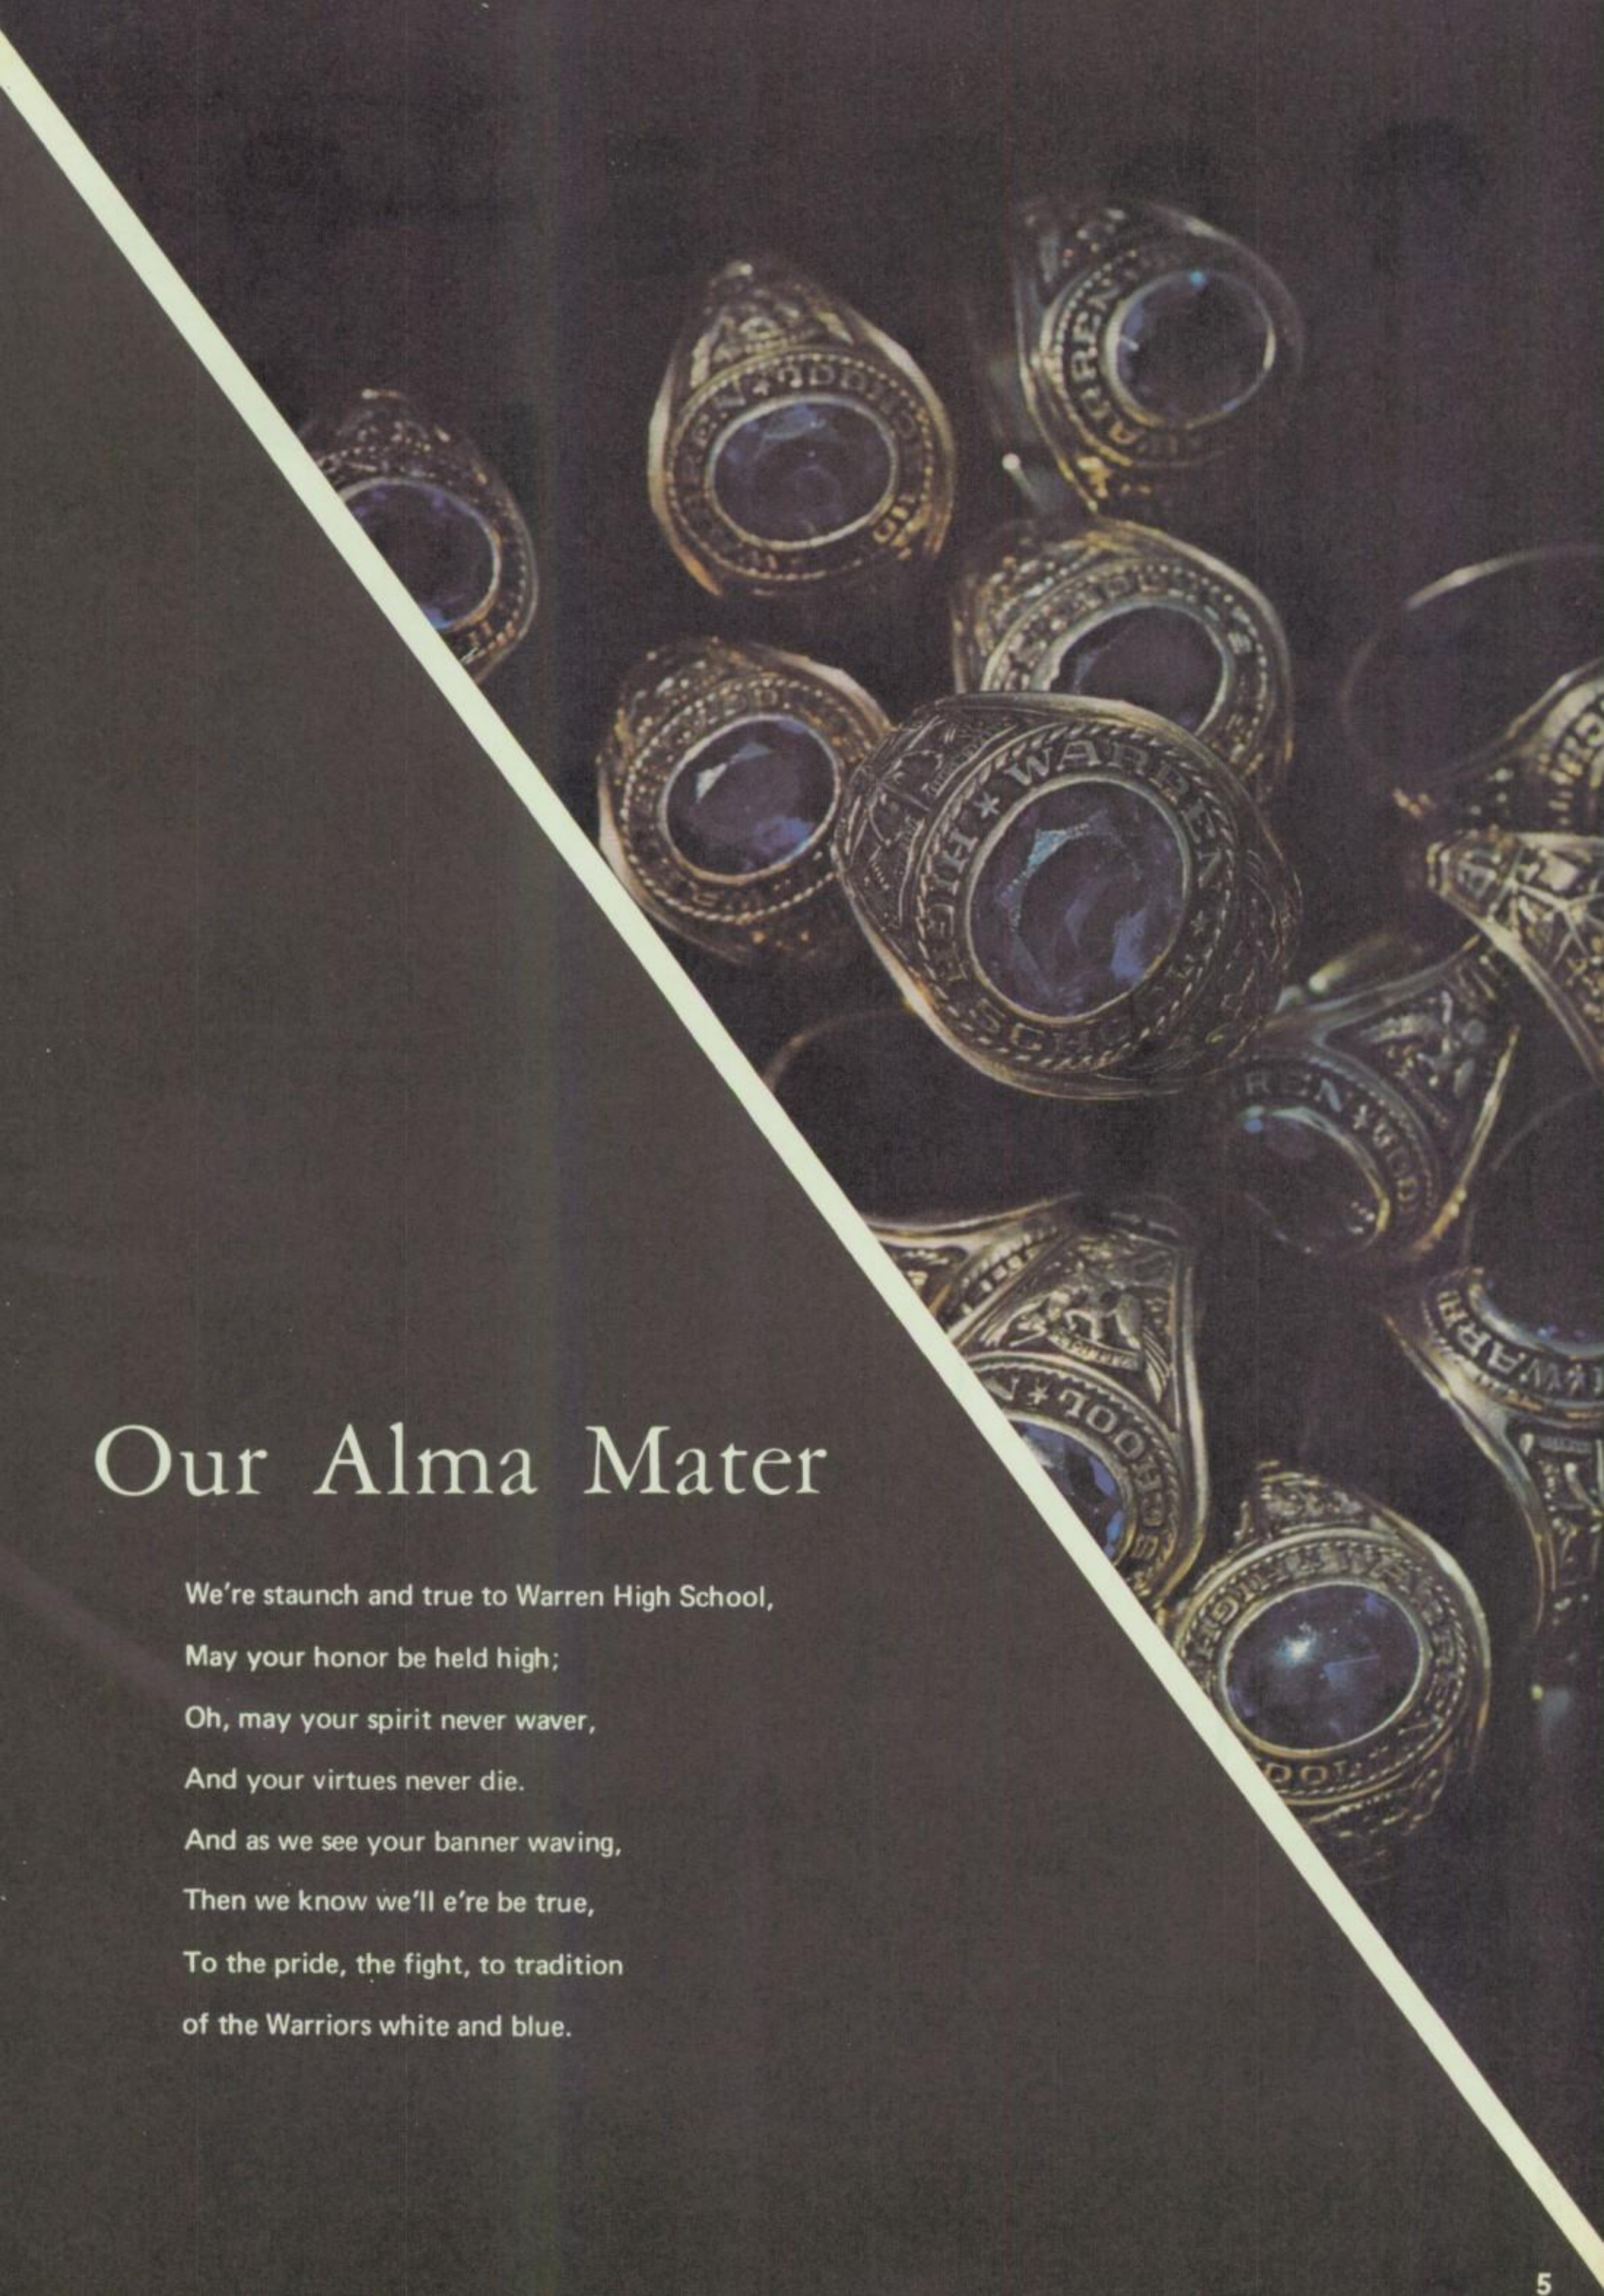
We hope you feel that the tenth SHIELD has succeeded at least as well as the volumes that have gone before it. We have attempted to improve by adding more pages, listing names with Row 1 as the top row, and by showing more action and spirit. Please excuse any misnomers as they were purely accidental.

We would like to extend a personal thank-you to everyone whose cooperation helped to publish the 1970 SHIELD. It has been our privilege and pleasure to edit a yearbook for such a fine school.

We the Shield staff, now give to you our SHIELD, a record of events and happenings that have taken place this year.

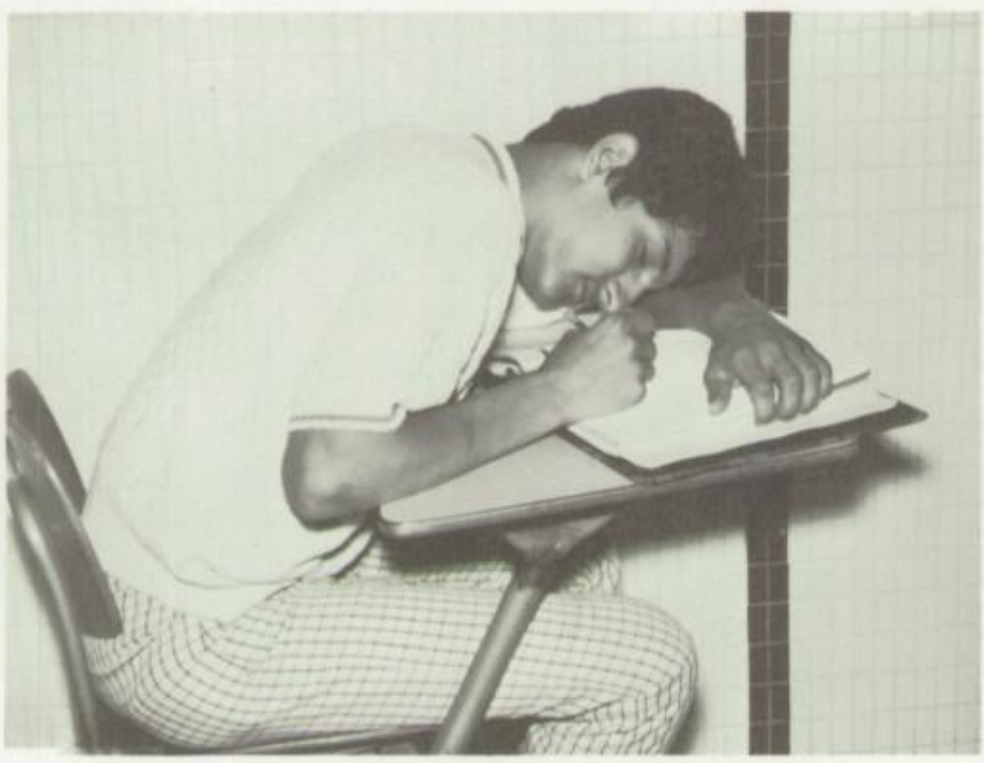
Our Alma Mater

We're staunch and true to Warren High School,
May your honor be held high;
Oh, may your spirit never waver,
And your virtues never die.
And as we see your banner waving,
Then we know we'll e're be true,
To the pride, the fight, to tradition
of the Warriors white and blue.



Bob and Cheryl standing back-to-back.

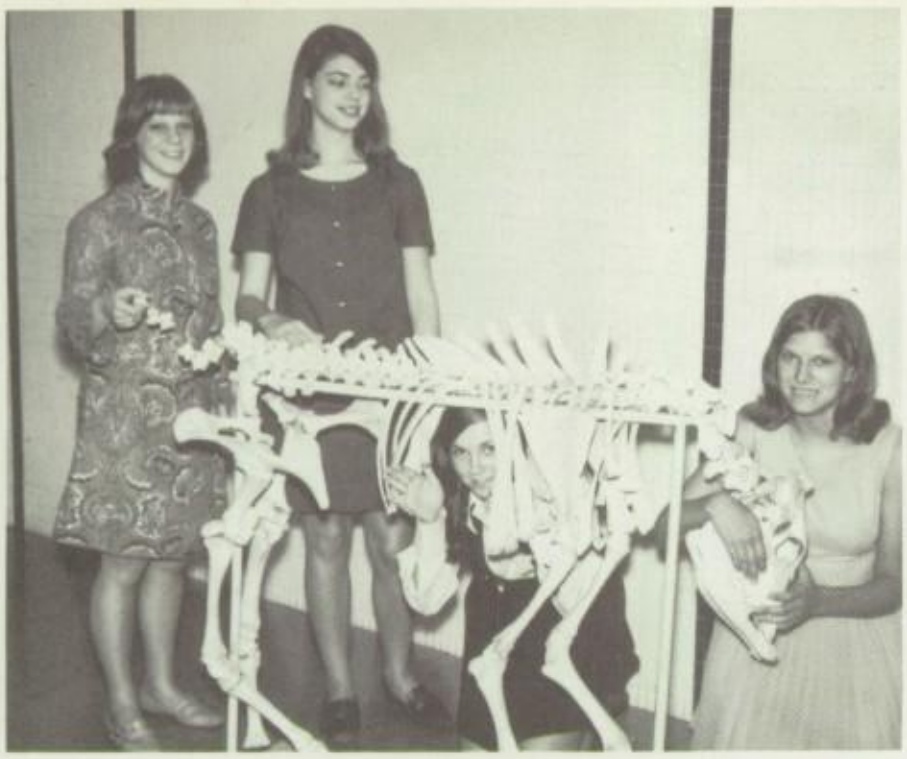
Bobbi can't wait until the big night.



Steve is resting his eyes.

The long and the short of it.

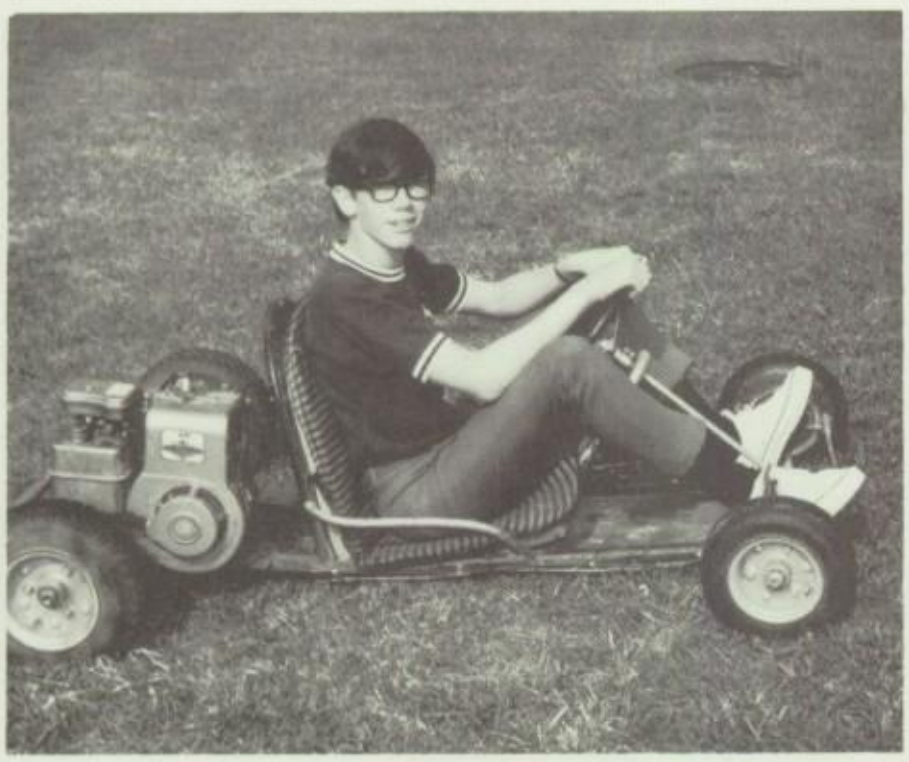
Randy appears mournful at the end of the year.



Diann, Debbie, and Carol think Heathcliff the Cow is just too much, but Rhonda wonders why she always is at the tail end of things.

Freshmen, let's keep that kind of story at home!

Spring is the time of dreams and of day-dreaming, right, Connie?



Chuck is anxious for the summer and go-cart races.

Eve and Don use the WHS secret strategy for a chess match.

What goes on behind the desk?

Sandy and Mark have problems with science.

Telephone Communications Student, David Dowler, a member of the Junior class.

Donna and Jack discuss the "no touch" policy.

A brushing a day keeps the scissors away.

MR. LOREN G. WEINSTOCK
Principal

This year Mr. Loren G. Weinstock ended his career as principal and teacher in Washington County Schools following surgery involving three cervical discs.

Mr. Weinstock was first employed as teacher and coach at Lawrence High School, then transferred to Barlow-Vincent. For the past eleven years he has served as principal at Warren High School. He has completed thirty-one years of service in the county schools.

Mr. and Mrs. Weinstock live in Vincent. They have two daughters, Mrs. Richard (Mary) Sokol, a clinical psychologist, and Verna, a recent graduate of Ohio State University who will enter medical school in July.

Mr. Weinstock was more than a principal, but a friend to every student. He overlooked the forgetfulness, the carelessness, and the inconsideration of youth. In return, the students will not easily forget his service as their principal.

MR. ERNEST B. PEARSON
Assistant Principal

If as educators we perform our work upon marble, it will perish. If we work upon brass, time will efface it. If we rear temples, they will crumble into dust. But if we teach youth's immortal minds, if we imbue them with high principles, with just fear of God and love of their fellow men, we engrave on these young people something which no time can efface, and which will endure and brighten throughout all eternity.

— Mr. Pearson

Guidance Services

Mrs. Wilma Reed

Guidance counselors conduct standardized tests of achievement and mental maturity. From the results of these tests, each student can be helped to evaluate himself and be given vocational guidance for the future.

Our counselors are available to the students to provide help and direction through the high school years. Each student can consult them about class schedules and be guided into academic areas that will best suit his capabilities.

Mr. John B. Jenkins, Jr.

Secretaries

Mrs. Lillian Porter

This year Warren High School said "Good-bye" to Mrs. Baine and "Hello" to Mrs. Spence. Some of the duties Mrs. Spence and Mrs. Porter are concerned with are signing passes, putting mail in the teachers' mailboxes, answering the phone, and knowing just what is happening in the school.

Mrs. Chloe Spence

The custodians at Warren High keep our building clean and try to keep our school running efficiently by doing a variety of tasks throughout the day.

The cafeteria staff spends much of their time planning wholesome and nourishing foods for the students of Warren High and for the school personnel.

The bus drivers are given the big responsibility of transporting students to and from school with as much safety as possible.

OUR COOKS: Mrs. Flesher, Mrs. Haught, Mrs. Wittekind, Mrs. Hunter, Mrs. Knotts.

FACULTY

MR. VINCENT SCRAGG

Social Studies

The main goal of the Social Studies department is to provide the student with information essential to his understanding of government and society. World History, American History, and Government provide this material and prepare the student for future decisions and effective citizenship.

MR. JERRY KELICAN

MR. EARL HABERFIELD

MR. CHARLES WENTZ

Math

Mathematics in its simplest form serves as an exercise in solving problems accurately. The math department of Warren High School provides knowledge and aid for student who are constantly affected by everyday problems which require answers.

English

Effective communication is an aim of the English department. Students are encouraged to express their ideas effectively through both the spoken and the written word. Another aim is to motivate students to read for pleasure and for purposeful comprehension and interpretation.

Miss Marjorie Stephens, who is in charge of public relations for the Warren Local District, also teaches sophomore English and a remedial reading class.

MRS. KRISTIN BOLDEN

Pable, el dependiente, dice — Aquí tienen Uds algunos artículos; los polvos, el lápiz labial, y el perfume. Linda y Juana compran los artículos que ellas necesitan.

Languages

Learning a modern foreign language contributes to the development of the student's potential talents and interests to the fullest extent, broadens his concept of language, increases the range of his ability to communicate with others and creates a better appreciation of life in a different cultural and linguistic environment.

Mrs. O'Grady with one of her classes

MRS. JEAN O'GRADY

Science

Ever since Aristotle applied the scientific method to the phenomena of his environment . . . men have had an insatiable desire to cast light on the mysteries of nature. The science department at Warren High School enables the students to study basic scientific knowledge in General Science and Biology and later to experiment and discover the mysteries of nature in Chemistry and Physics.

Home Economics

MRS. FLORENCE TACKETT

The Home Economics classes are taught by Mrs. Tackett and Mrs. Yost. Among the arts taught to the students are: cooking, sewing, child care, money management, home nursing, housing and consumer buying. Each of these courses prepare the students for future homemaking and the prospect of a fuller and richer life.

MRS. MARY YOST

Vocational Agriculture

Agriculture is a rapidly changing industry which offers great occupational opportunities to rural youth everywhere. Its continued growth which is so essential to the welfare of the nation can be assured only through the training of the youth. The role of the farmer in handling and evaluating problems which are ever mounting in this complex world is important to our economy. A well equipped shop for the constructing and repairing of farm machinery is maintained for the use of our Agriculture Department.

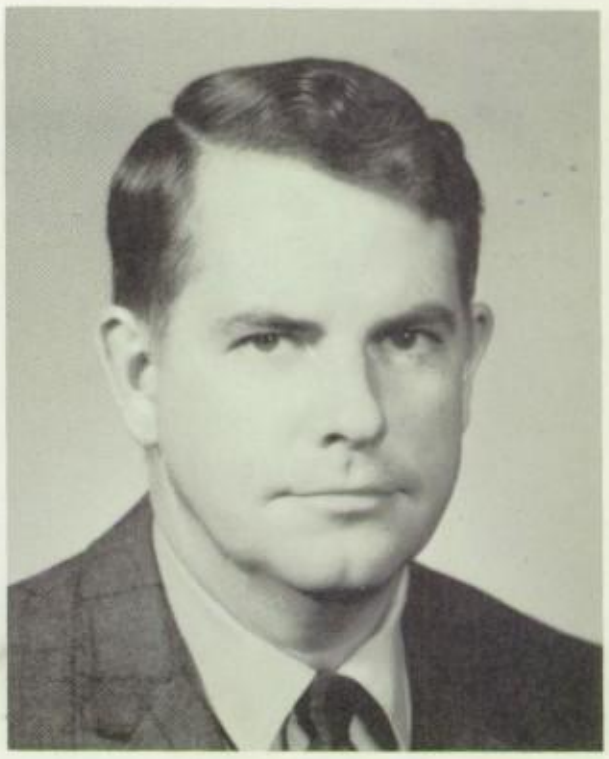
MR. DEAN McCOY



MR. WILLIAM TACKETT

Art

In the art classes, each pupil is taught how to use his imagination and creativity to "do his own thing" in the artistic field of learning, and the many different techniques used to accomplish each style of art.

Many times this year the art classes have decorated the cafeteria with pictures and paintings pertaining to the holidays.

MISS SYLVIA YOUNG

Industrial Arts

Industrial Art classes include: woods and metals, photo science, graphic arts, drafting, electricity, power mechanics, and crafts.

These classes are taught by Mr. Roberts, Mr. Bibbee, and Mr. Johnson. They encourage each student to be creative and use their own ideas and develop their own techniques.

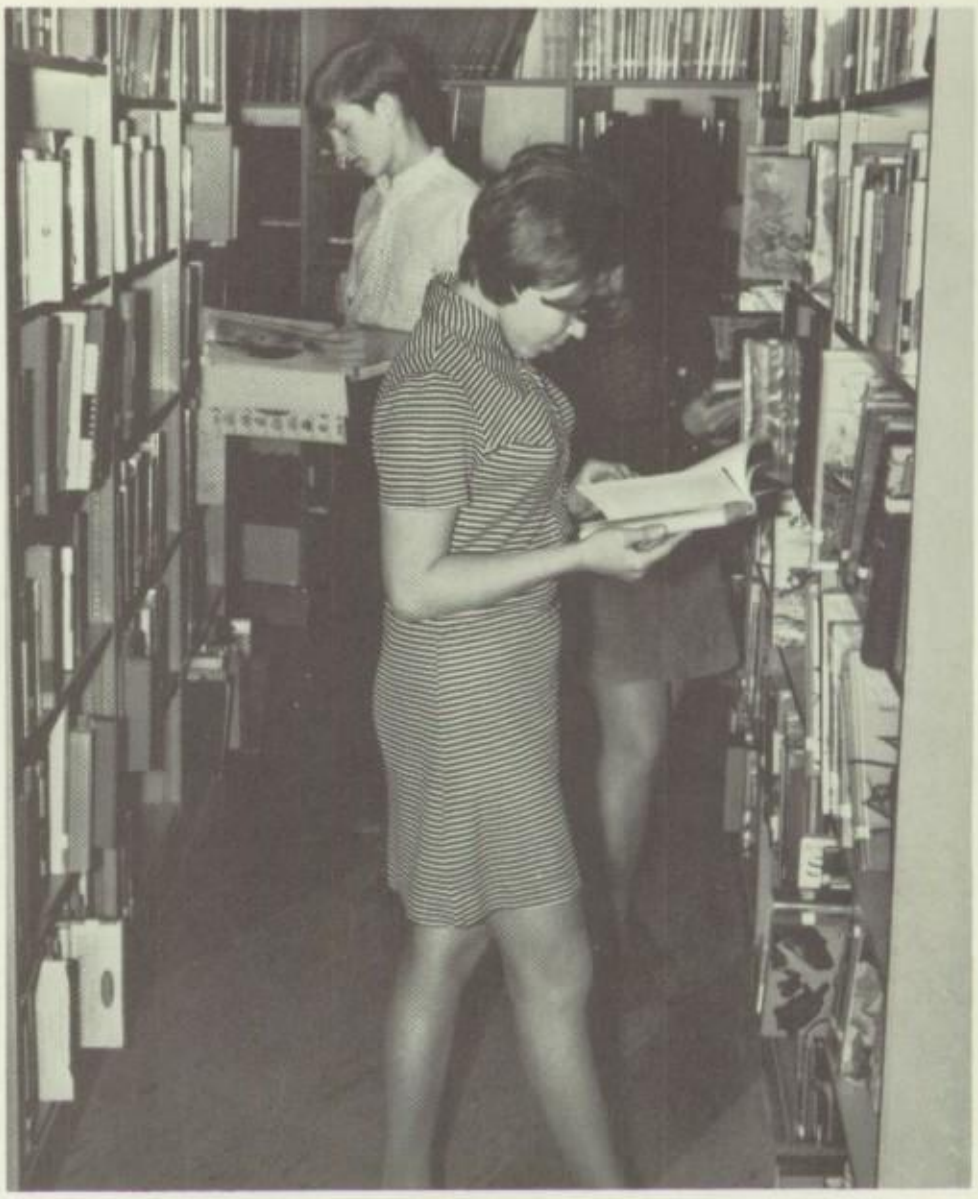
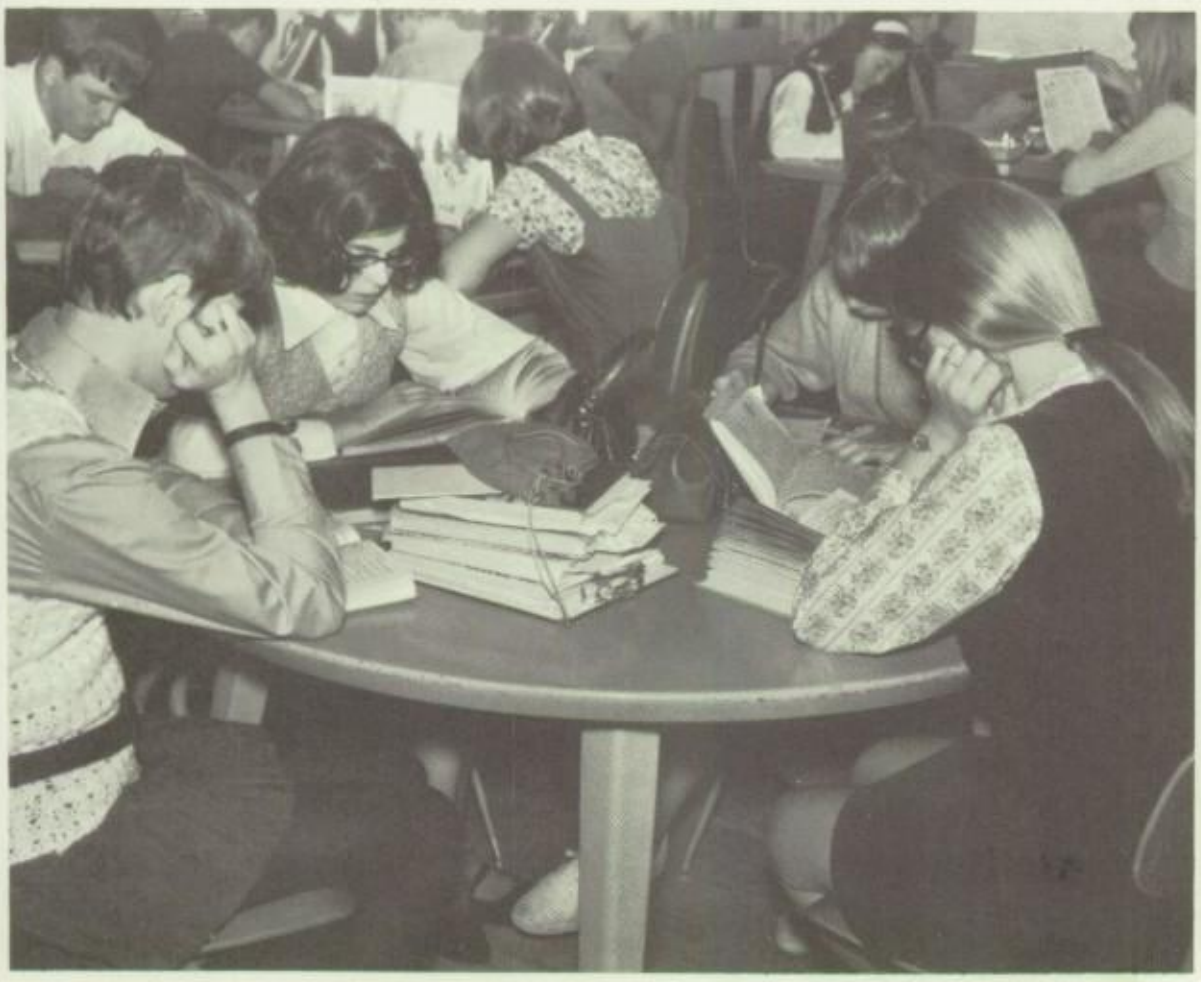
Library

MR. SELDEN SPENCER
Librarian



The library contains many facilities to help the students at Warren High School. Among the reading materials used by the students are fiction and nonfiction books, reference books, periodicals and newspapers. Also the library has facilities such as films and records to further the education of the students.



MRS. BETTY MADDOX
Assistant

Band

Warren High School Band has shown school spirit in various ways this year. Playing for pep rallies, football games, basketball games and in many parades were just a few of their activities. Warren High School students were also proud when our band tied for a third place in marching in the Band-O-Rama.

Chorus

The Warren High School Chorus, under the direction of Mrs. Patricia Yeago, meets every Monday and Wednesday during seventh period. This year the chorus has consisted of girls only and has presented concerts in the school as well as in the community. Hard work, determination, and hours of practice have gone into the perfection of this group which has been reflected in their performances.

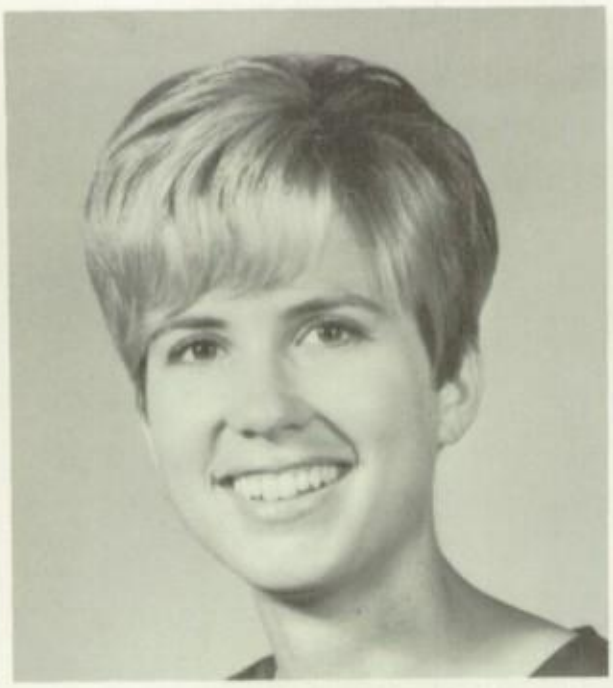
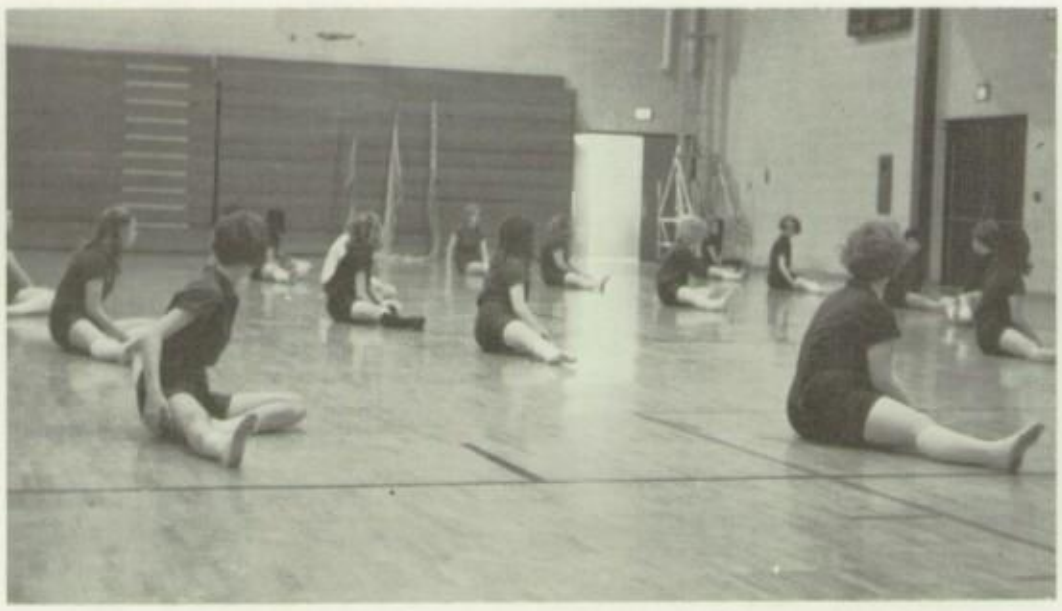
Our Physical Education Program — Skill and Teamwork



MRS. DIANE BOWER



Stretch those muscles and keep your toes pointed, girls.

The accents of the Warren High physical education program are of individual skills and teamwork. For the feminine sector of the student body there are sports such as archery, soccer, softball, volleyball, cageball, basketball, gymnastics, and modern dance. The boys participate in football, baseball, basketball, volleyball, track, and dodgeball. Both the girls and the boys enjoy the co-ed square dances. Each spring a school track meet is held which combines talents and skills of all students who compete for a class trophy.

Special Education

The Vocational Development classes are taught by Mrs. Vivienne Collins. Principally, these classes are concerned with the subjects pertaining to everyday living. The importance of job preparation, job placement and job retention are stressed. The student's goal is to develop into a happy and useful member in the community, the state and the nation.

MRS. VIVIENNE COLLINS

BOE

The Business and Office Education (BOE) Intensive Program aims to prepare students to be ready to go into office positions as soon as they graduate from high school. In order to accomplish this, these classes are in many ways different from other kinds of classes. Students in this program must have a three-hour block of time where many subjects are taught in a blended manner. This is done because, in an office, duties are varied and students must learn to be flexible. This three-hour block of time must be in an office-type classroom where the equipment and arrangement are as nearly as possible like a real office. Students do not stop when the bell rings, but instead take their breaks when it is convenient with the particular work they are doing — again much like it would be in a real office. Students do have time for field trips and guest speakers which are used effectively in this training. Some social functions are planned — Open House, Luncheons, Teas, and Banquets — like the ones students may find in their associations in the business world.

SENIORS

Seniors Gain Diplomas and Reach for the Stars

It is a "special" feeling to be a Senior . . . especially a Senior at Warren High School. For many years this has been our heart's desire and goal. But as we the Seniors of '70 approach the finish of "our" year at Warren we have come to realize that "cherish" is the word we use to describe all of our feelings.

Our Senior year has been the happiest, the most rewarding, and the most memorable of all. In September we came back to the Warrior's way of life for the last time. We cheered our teams on with pride, hope, and spirit. For the third consecutive year the creative minds of our class won the most original trophy in the sign contest. Together we waited in suspense as we watched Carol Adams crowned "Homecoming Queen of 1970."

In addition we had our own special days to remember. The Senior picnic . . . the Senior field day . . . color day . . . the Prom . . . and most important, Graduation. Graduation night when the Class of 1970 stood together as one for the last time. We were a fine class in blue and white gowns and one to be respected. Finally, we must each go our own ways for a new life is just beginning. With the knowledge and experience we have gained in these twelve years we each hope to have success.

Last but not least, Thank You Warren High School, classmates, and friends, for giving us these moments to remember.

The Freshman class at any high school is always the most enthusiastic and spirited group. The class of 1973 is no exception. The excitement of the "Little Warrior's" victory over Marietta, the anxiety of taking an Algebra test . . . and receiving the grade on it, the pride of being elected to Student Council or selected to Junior Honor Society, and the embarrassment involved in missing your bus. These experiences will be remembered throughout the years at Warren High.

This year the Student Council has been responsible for more of the activities at W.H.S. than ever before. During the summer the officers assiduously planned the welcoming assembly which took place the first day of school. In addition, Terry Poland and Linda McAtee returned from Student Council workshop with an array of new ideas. Soon after the beginning of school the council sponsored the homecoming festivities which included the sign contest, queen crowning, and dance. The Thanksgiving assembly, the distribution of Christmas baskets to needy families, the morning devotions, and the pep rally following our Tri-Valley win were other projects. The council also worked in the coat check at basketball games and sold pep ribbons as money projects.

To represent the students more thoroughly the council arranged a schedule which allows them to meet once a week. Our Student Council also hosted and sent representatives to the Area Student Council meetings.

National Honor Society

ROW 1: Susie Bond, Terry Poland, Mike Pottmeyer, Tom Gillespie, Gary Lones, News Reporter; Debbie Griffith, Nancy Layner, Miss Morgenstern, Advisor. ROW 2: Alta Morris, Treasurer; Molly Gilbert, Secretary; Sonja Smith, Vice President; Mike Wentz, President.

The W.H.S. Chapter of National Honor Society has kept busy this year. The club sponsored the annual Semester Tea, honoring those students who made the semester honor roll. Members sold potato chips to increase the treasury. The highlight of the year's activities was the induction of new members early in the spring. All inductees, chosen by their teachers, vow to uphold the standards of NHS – character, scholarship, leadership, and service.

National Junior Honor Society

To be elected to the National Junior Honor Society is considered a privilege. Among the various qualities expected of an Honor Society member is that of leadership. The members of this organization have shown this quality by participating in many school activities. NJHS sponsored the victory dance climaxing "Beat Belpre Week."

College Club, open to juniors and seniors, has been very active this year. The advisor, Mr. Jenkins, arranged to have representatives from area colleges and universities come including a special meeting for which former W.H.S. students, now in college, spoke. Club members voted to visit the Ohio State University for their field trip. College Club has been very instrumental in informing prospective college students about various types of schools of higher learning.

Future Teachers of America

The Warren Chapter of Future Teachers, open to interested juniors and seniors, promotes the teaching profession by sponsoring a scholarship which is presented to a qualified senior member. A dance, featuring the Blueberry Moss, and a bake sale served to raise funds for the scholarship project. Our Future Teachers salute the many students whose goals in higher education include study in the field of education.

GAA

This is the first year of Girls' Athletic Association at WHS, but the organization is already popular with many students. The girls' track and basketball teams were active groups which resulted from the GAA intramural sports league. The basketball team was defeated by South and Belpre by slim margins, but the girls upset the women faculty members and the junior girls. Christmas exchange gifts and GAA pins and charms were items the group enjoyed. Mrs. Bower is the GAA advisor.

Pep Club

Whether we win or lose, the many avid Warren Pep Club members support the White and Blue by yelling the cheers and displaying pep and spirit. The student section in basketball was changed to better back the team and coach. In football season a certain area "belonged" to the Band and the spirited fans. Pep club members helped decorate the halls with peppy signs and under the direction of Mr. Roberts and Mrs. Bower, pep rallies were planned.

Varsity Club

The Varsity Club is an organization composed of athletes who have lettered in any varsity sport. It promotes fellowship and sportsmanship among the members.

SCHOOL BAND

The Warren High School Band, under the direction of Mr. Charles Yeago, was especially active this year. Rehearsals began in the summer including a strenuous, but enjoyable, week at band camp. With the beginning of school the band played at all the football games. The strains of "Warriors We" filled the football players and exuberant crowds with school spirit. Band practices held first periods every day prepared the Band for the numerous concerts and parades of the year.

The Band was also involved in competition. It played in the District Band Contest at Ironton and the Band-O-Rama at Marietta. Individual spirit was displayed when students entered individual contests at Athens, where both superior and excellent ratings were achieved.

The Band wrapped up the year with their annual Band dance and a performance at commencement.

Indeed the Warren High School Band had a rewarding and exciting year.

MAJORETTES: Linda McGlumphy, Carol Davis, Sally Boord, Debbie Stone, Head Majorette.

The Band participated in many events during the school year

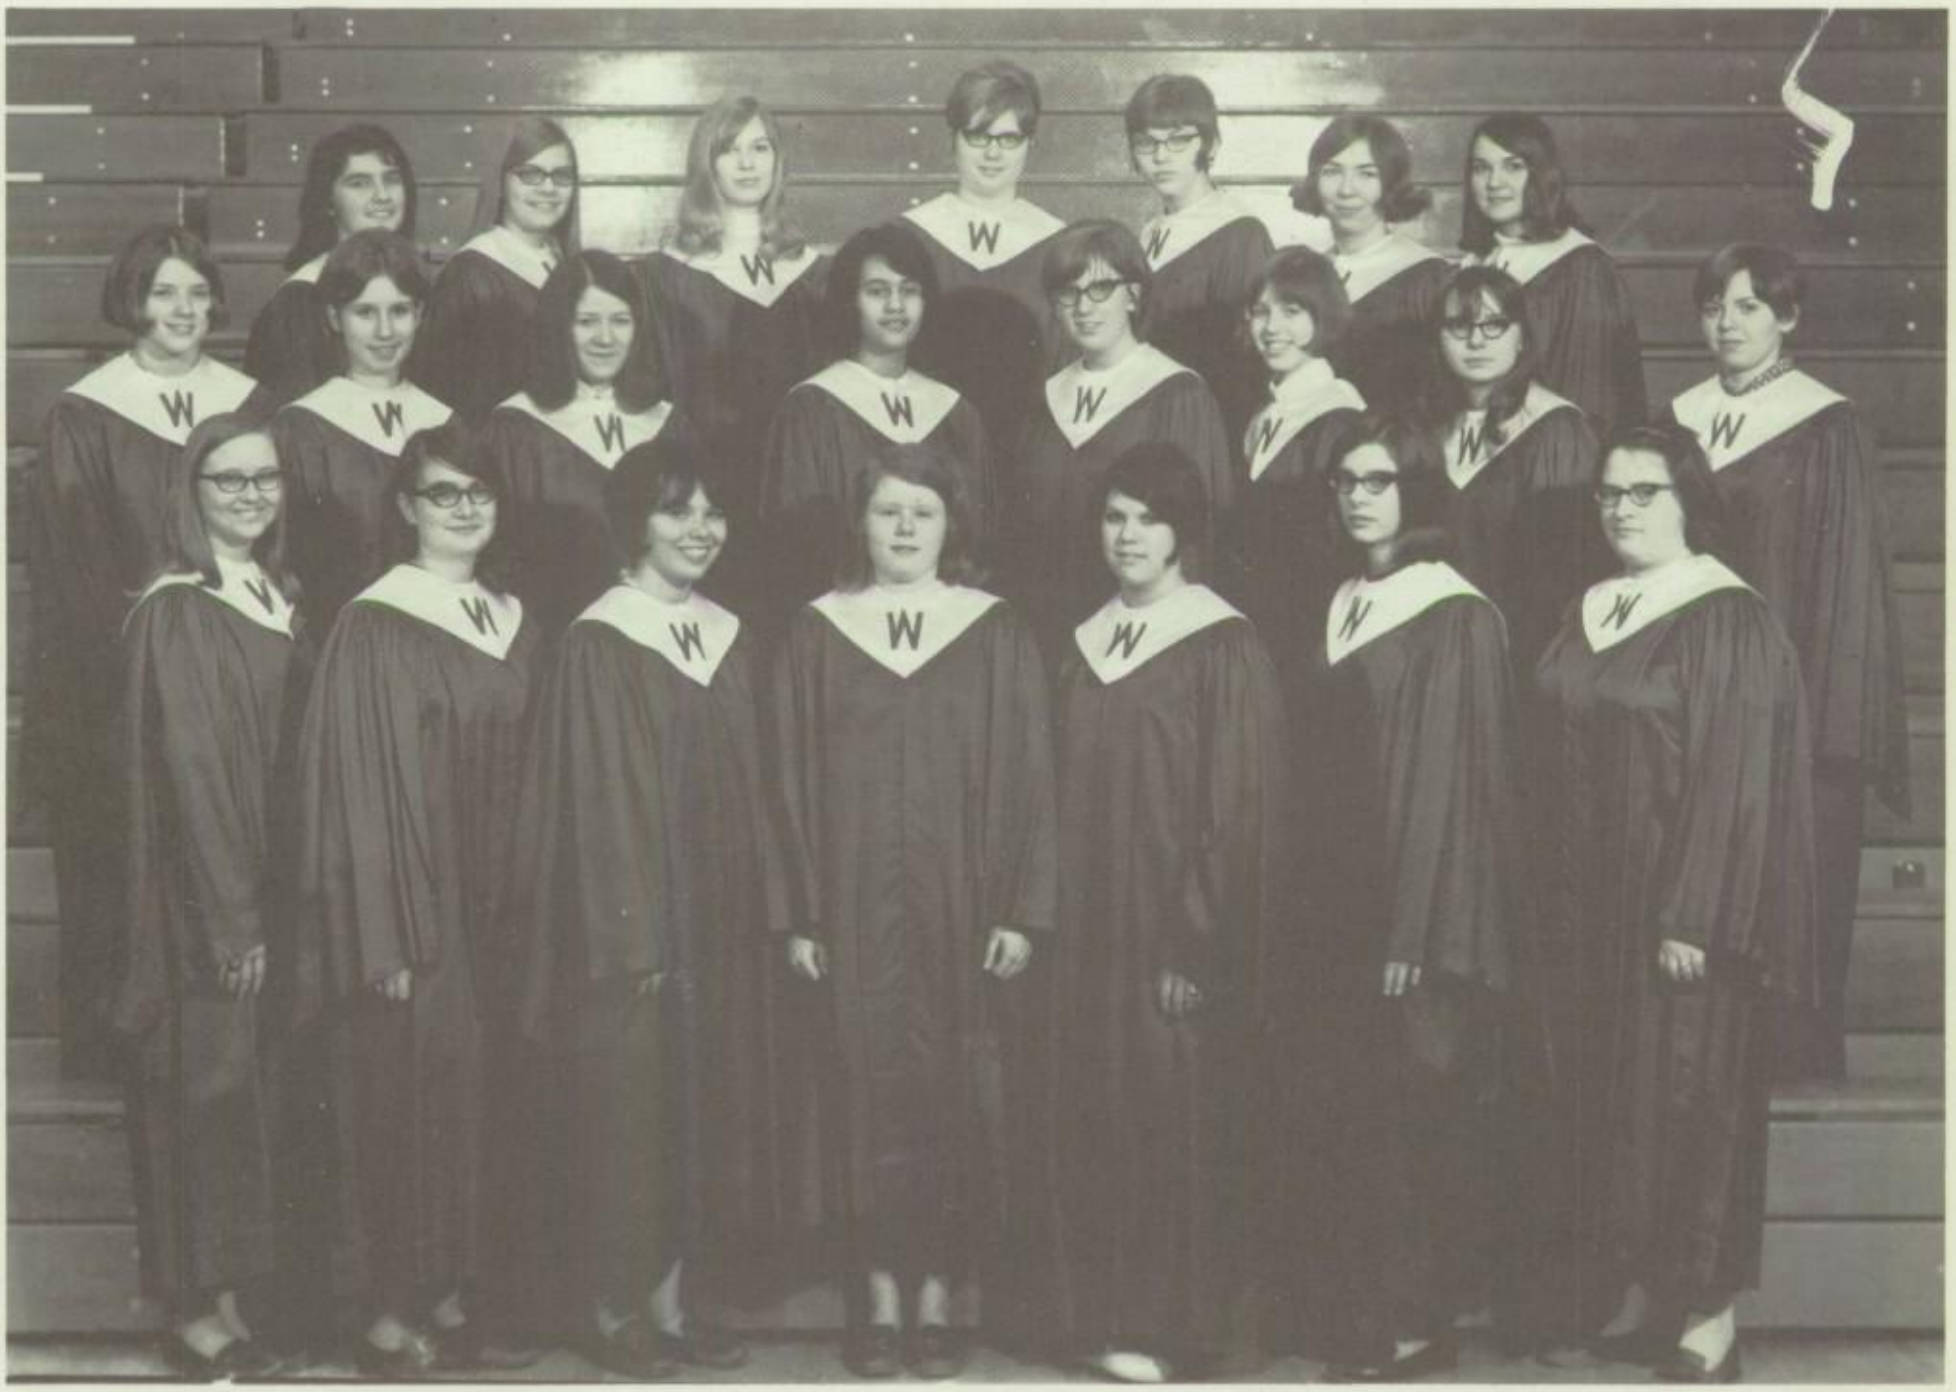
"And a one-and-a-two . . ."

COLOR GUARD: LuAnn Ripetto, Theresa Lewis, Sue Gilbert, Debbie Lemley.

The annual Band Dance was enjoyed by all.

Girls' Ensemble

A new type of chorus has been organized this year under the direction of Mrs. Charles Yeago; this is a girls' ensemble. This group, singing three-part harmony, has performed at various programs in school this year – Christmas, Baccalaureate, and a concert with the band. One of the chorus' most interesting activities was an exchange concert with Fort Frye.



ROW 1: Brenda Wolfe, Diane Kiser, Amy Nutter, Gwen Moore, Carol Evans, Vera Gillinwater, Patrice Burt. The Warren Warriors, with Co-Captains Don Roddy and John Bayles, fought their way to one of the most successful seasons in recent years.

The Warriors got off to an explosive start when they came face to face with Nelsonville-York and came out victoriously 33-0.

Spirit was the keywork of the season, not an ostentatious showy display reserved for pre-game warm-ups, but an ingrained, self-effacing determination to play and perform to maximum potential.

The hard summer practices, mental and physical determination of players, and the great instruction and coaching of Coach Kelican all led up the success of the Warriors. They were awarded the Sportsmanship Plaque and were Tri-Valley Champions. Coach Kelican was awarded Coach of the Year.

ROW 1: Joe Mitchem, Dave Stacy, Fred Knick, Mr. Haberfield, Coach; Jack Harris, Terry Coffman, Mark Elder.
ROW 2: Phil McGraw, Marty Clark, Denny Reynolds, Randy Mills, Tom Eddy, Mike Schaad.

Under new Coach Earl Haberfield, The Warrior Varsity Cagers learned the right way, never the wrong, of guarding, shooting, and tossing free throws. Even though the White-and-Blue lacked experience and height, their hustle, determination, and Never-say-die spirit made them tops in the eyes of the Warren fans. Close scores and exciting floor-work were outstanding in several battles, including the season opener against Williamstown and later revenge against the Yellowjackets, with Marty Clark tossing in the winning point as the final seconds ticked away.

Girls Athletic Teams

Any girl on the Warren Track Team can vouch for the fact that participating in this sport requires many long hours on the track and lots of sore muscles. Relays, jumps, and endurance races composed the running events while long jumps and soft-ball throws made up the field events.

Basketball was also enjoyed by many girls. During the Warren-South game half-time, the Warren Girls' Basketball Team exhibited their skill against the South Girls' Team. In addition, the senior members of the team defeated the junior members in an exciting contest.

Tracy Fund from Barlow-Vincent

"I would give anything to help students become interested in learning and in scholarship." These were the words of the late Mr. Leven M. Tracy. A former resident of the Vincent area, Mr. Tracy put his words into action with the Tracy Foundation. Mr. Tracy attended schools in the vicinity until he was eighteen years old. He then moved to the Phoenix, Arizona area where he invested in Hereford cattle, truck farms, and oil wells, He died five years ago, a multi-millionaire. Before his death, Mr. Tracy visited his old community and expressed his wish to set up a lasting contribution to promote scholarship among the area students. Each year many outstanding students benefit from the kindness and interest of Mr. Tracy through the Tracy Foundation.

Monongahela Power is proud of the contribution it has made to your education. For instance, last year taxes paid on our properties amounted to more than $2,000,000, the greatest percentage of which went for the operation of schools throughout our service area.

Whatever you plan to do in the future, low-priced electricity will continue to play a major role in the satisfaction of your everyday needs.

Ever since man first existed, he has looked to the stars for guidance. Stars led him across barren deserts and raging seas. Stars led him to methods of measuring time and surveying land. Stars led him to the powerful principles of atomic energy.

And so we Warriors have been led by our stars. As teachers, as students, as athletes, as leaders, there were some of us who were bright, guiding North Stars. There were others who were smaller stars, further away. But we remember that every star is shining and important somewhere, to someone.

We also remember that the light of a constellation reaches the earth years after it is radiated by the stars. Sometimes, a star may be lighting the earth even after it has disintegrated. With this thought in mind, we project ourselves into the future. Will we be stars? Will our light still be shining?

Not knowing, still wondering, we leave for you this record, asking you to turn your thoughts to 1970 and . . .

Look to the Stars
